

# Capacitive proximity sensor CS101

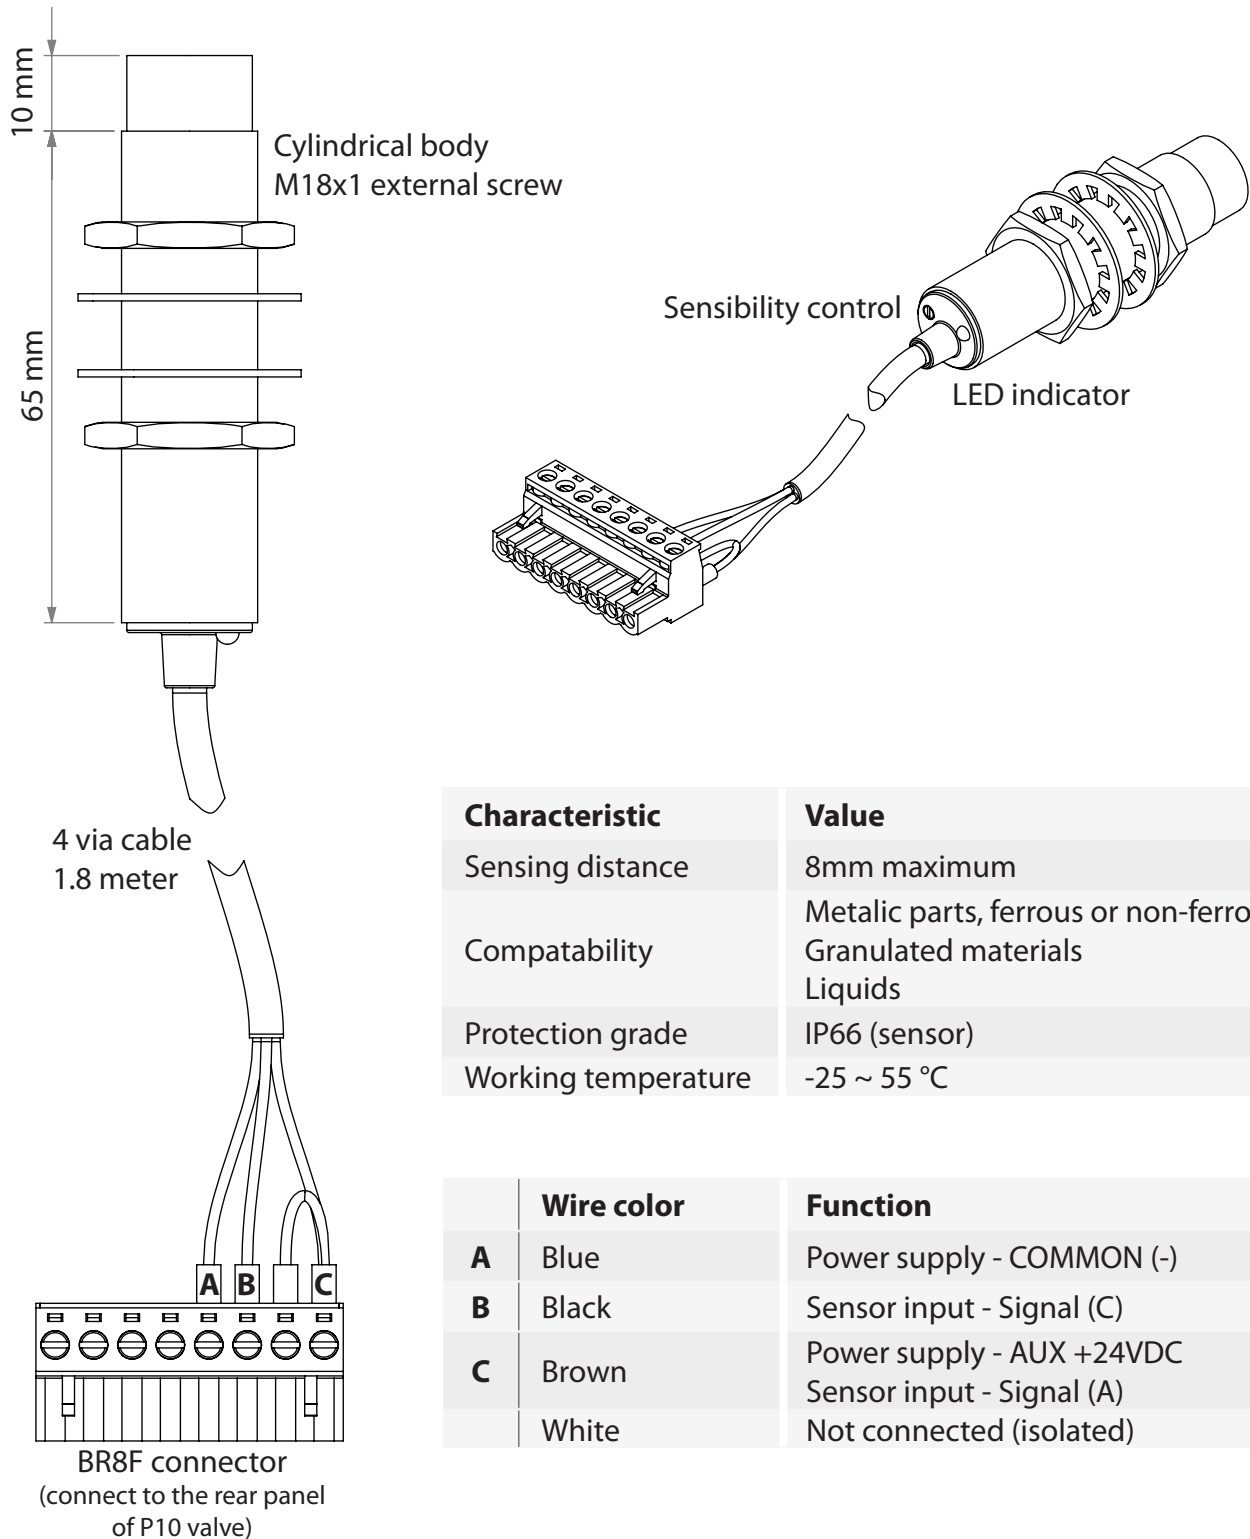

## Compatibility

Metrolog P10 Series smart pneumatic valve

Order code: CS101

Additional documentation: [www.metrolog.net/p10](http://www.metrolog.net/p10)

## Specification

Characteristic	Value
Sensing distance	8mm maximum
Compatibility	Metalic parts, ferrous or non-ferrous Granulated materials Liquids
Protection grade	IP66 (sensor)
Working temperature	-25 ~ 55 °C

	Wire color	Function
<b>A</b>	Blue	Power supply - COMMON (-)
<b>B</b>	Black	Sensor input - Signal (C)
<b>C</b>	Brown	Power supply - AUX +24VDC Sensor input - Signal (A)
	White	Not connected (isolated)
