

## Compatibility

Metrolog P10 Series smart pneumatic valve

Order code: **PMD101**

Additional documentation: [www.metrolog.net/p10](http://www.metrolog.net/p10)

## Specification

Characteristic	Value
Sensing distance	40cm maximum
Compatibility	Various surfaces
Protection grade	IP67 (sensor)
Max environmental illuminance	10.000 lux (sunlight) 3.000 lux (incandescent light)
Working temperature	-25 ~ 55 °C

	Wire color	Function
<b>A</b>	Blue	Power supply - COMMON (-)
<b>B</b>	Black	Sensor input - Signal (C)
<b>C/D</b>	White/Brown	Power supply - AUX +24VDC Sensor input - Signal (A)
